JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

circumstances in which other associations escaped liability. With the enactment of the trade disputes bill the British law has finally evolved to the point where trade unions are placed upon the same footing as other associations in regard to civil as well as criminal liability.

Workmen's Compensation. In December, 1906, the British parliament passed an act to amend and consolidate the law of workmen's compensation. The act extends the benefits of the law to over six million persons not included under the provisions of preceding acts.
